Sir,

Not ready available

I have the honor to state that Revenue Statistics of the Railway Department are being compiled in 2 parts one for the Lines worked by Government and the other for those worked by the Company and submitted to Government on the dates prescribed in your letter No. Fl. 3916 dated 22nd January 1924. The Revenue Statistics relating to worked lines are compiled from the weekly approximate returns of Traffic and the extract of Telegraphic Report furnished monthly by the Chief Auditor, M. & S. M. Railway to the Accountant-General, Railways. The Auditor, Mysore Railways reports in his letter No. B.B.2240 dated 17th June 1925 that the Chief Auditor, M. & S. M. Railway has intimated to him that the Telegraphic report of the approximate gross receipts and expenditure advised by him to the Accountant General, Railways on the 12th of each month is no longer required and that information relating to Mysore State Lines hitherto extracted from the above report will be discontinued forthwith.

The Auditor has requested the Chief Auditor, M & S.M. Railway to furnish him some other statements giving the same information to enable the Mysore Government to get approximate figures for each month at the earliest possible date. Until a definite reply is received from the Chief Auditor acceding to the Auditor's request, I propose discontinuing the submission of the Revenue Statistics relating to Lines worked by the M. & S.M. Railway Co.,
